U.S. FLAG HALF-STAFFING:

As directed by the White House through Presidential Proclamation, the Department of Homeland Security (DHS) issues half-staff notifications to federal agency contacts via e-mail. Provide additions and/or changes for DHS half-staff notification through your Bureau or Office contact listed below.

DOI Directed Half-Staffing: DOI specific requests for half-staffing (i.e., for a facility, Bureau, or DOI-wide) must be channeled through the Bureau or Office Head, to the appropriate Assistant Secretary, then to the Secretary for decision. The NBC must be advised of these requests, as notification may be required when the Secretary of the Interior orders a half-staff for DOI locations. The NBC will notify bureau contacts listed below, who are responsible for notifying their affected field offices on these occasions and ensuring compliance.

The U.S. flag will be flown at half-staff annually on the following dates:

- May 15 Peace Officers Memorial Day (unless that day is also Armed Forces Day)
- May Memorial Day (Last Monday in May; until noon only)
- July 27 National Korean War Veterans Armistice Day
- Sept. 11 Patriot Day
- Oct. 06 National Firefighters Memorial Day
- Nov. 11 Veteran's Day
- Dec. 7 Pearl Harbor Day
