NBC Announces Appointment of New Chief Financial Officer and Associate Director of Financial Management Directorate

Washington DC – Department of the Interior's (DOI) National Business Center is pleased to announce the addition of Mr. James Beall, as the newly appointed Associate Director (AD) of the Financial Management Directorate (FMD) within the National Business Center (NBC), responsible for all financial management programs supporting more than 70 customers.

Mr. Beall will also serve as the NBC's Chief Financial Officer and replaces Ms. Sandra Weisman, who retired November 1 after a distinguished career in Federal service. As Chief Financial Officer, Mr. Beall serves as the financial advisor, representing the NBC on financial policy matters. "I

am honored to be a member of the NBC team" stated Mr. Beal "I look forward to working with my colleagues and our customers in meeting their needs with quality and integrity."

Mr. James Beall, National Business Center, Financial Management Directorate, Chief Financial Officer

Mr. Beall most recently served as the Chief Financial Officer for the Board of Education of Prince George's County, Maryland. In this position, Mr. Beall was responsible for all fiscal and organizational resources supporting the 18th largest public school system in the country with operating resources in excess of \$1.6 billion. Along with the budget services and payroll

services organizations, Mr. Beall was also responsible for the financial services organization, which included the accounting, financial reporting, accounts payable, cash management, risk management, and internal audit functions. Of note is Mr. Beall's experience with the development and implementation of a balanced scorecard approach to ensuring accountability of

"NBC could not be more pleased than we are to have acquired such expertise to spearhead our Financial Management Directorate. We are fortunate to have Mr. Beall onboard to carry out our Strategic vision for Financial Services in the Federal workspace."

Doug Bourgeois, Director
National Business Center

the Prince George County's school system. Mr. Beall also led an effort that identified \$46.5 million in unrecognized deficiencies from inadequate management and control systems and developed and implemented measures to eliminate these operating deficiencies and restore financial integrity in only one year. Additionally, he led a team of about 80 people that evaluated, selected, and implemented an integrated core financial system for the county that replaced the legacy budget, finance and

HR/payroll systems. Mr. Beall is a graduate of the University of

Maryland, College of Business and Management with a BS degree in Accounting and is an active, licensed Certified Public Accountant (CPA) in the state of Maryland. He is also a member of the American Institute of Certified Public Accountants, the Maryland Association of Certified Public Accountants, and the Government Finance Officers Association.
